SPONSORS

EXHIBITORS

The conference will feature a trade exhibition consisting of suppliers of goods and services to the industry together with those communities bidding to host the 6th ICTC Conference.

WELCOME FROM THE MAYOR OF FREMANTLE

On behalf of the people of Fremantle I invite you to attend the 5th International Cities and Town Centres (ICTC) conference at the Esplanade Hotel from 4 - 7 May 2004.

The City of Fremantle is proud to host ICTC 2004.

Fremantle is a special place renowned for its easy yet vibrant lifestyle. It is the largest metropolitan retail centre outside of Perth and attracts over 2 million visitors annually. Fremantle is a friendly place, full of talk, and lots of action. Everyone has an opinion. Passions rise with the heat; and fall with the soft nights. Out of them come ideas that make the rest of the nation want a look in.

The key theme for the conference is Vibrant Cities, Town Centres & Communities – making them work.

The main aim is to discuss and examine how you can turn ideas into reality in the revitalization of your town centre.

As well as attending informative and challenging workshops, conference sessions and hearing interesting thought provoking presentations, delegates, together with their partners, will be able to see first hand how much Fremantle has to offer.

Again on behalf of the people of Fremantle we look forward to welcoming you to ICTC 2004. We hope you will come and accept our warm hospitality and enjoy your stay.

P. Tagliaferri

P. TAGLIAFERRI Mayor

INVITED SPEAKERS

■■ Ruth Durack

Ruth Durack is the Director of Kent State University's Urban Design Center of Northeast Ohio. Before moving to Ohio, she spent over 15 years in urban design practice with Wallace Roberts & Todd, in the Philadelphia and San Francisco offices; and 2 years with the Planning Department of the City of Philadelphia as the Project Director for conversion of the Philadelphia Naval Base. In Philadelphia,

she taught urban design studios and seminars as an adjunct faculty member at Drexel, Temple and the University of Pennsylvania, and in Cleveland, she oversees Kent State University's Graduate Program in Urban Design. She is a graduate of the University of Western Australia, has Masters degrees in Architecture and Planning from the University of Pennsylvania and the University of California at Berkeley, and is a Loeb Fellow of the Graduate School of Design at Harvard.

■■ Leon van Schaik

Leon van Schaik Ph.D is Innovation Professor of Architecture at RMIT, from which base he has promoted local and international architectural culture through practice based research.

Writings include monographs compiled on Edmond and Corrigan, Ushida Findlay, Guilford Bell and Tom Kovac, Poetics in Architecture, The Guthrie Pavilion and The Practice of Practice.

■■ Ian Thomas

Ian Thomas is President of Thomas Consultants Inc. from Vancouver, British Columbia. The firm specializes in the economic planning and development of large scale retail projects around the world where projects have been undertaken in over 35 countries. Its specific expertise lies in performing rigorous market analysis to determine specific voids, creating a proper role and function of the center, working with leading edge architects to prepare a suitable site

plan and finally creating a detailed tenant mix and merchandising plan. In terms of lifestyle projects, the firm has been heavily involved in Gateway, Salt Lake City; Beaver Creek Resort in Vail; Snowmass Village, Aspen; Whistler Town Center; and Don Mills Shopping Center in Toronto. Ian Thomas has authored many award-winning articles. He sits as a Trustee of ICSC's Educational Foundation, is a judge of ICSC's International Design Awards and a committee member of Centerbuild. He is a CPA and a graduate of York University.

■■ Denis Hickey

Denis Hickey is the Chief Executive Officer - Development of Stockland, one of Australia's leading diversified property groups.

Denis has 15 years experience in all aspects of urban development

including the delivery of large-scale urban communities, built form housing and mixed use developments.

He has overseen the creation and delivery of a number of major development projects and has extensive experience in delivering Joint Venture partnerships with both the private and public sectors throughout Australia.

■■ Professor Geoffrey London

Geoffrey London is the Professor of Architecture at The University of Western Australia Faculty of Architecture, Landscape and Visual Arts, a position he has held since 1992. He also holds the position of Professorial Fellow at the University of Melbourne and is a past Chair of the Committee of Heads of Architecture Schools of Australasia. He has recently been appointed to the position of Western Australian Government Architect.

■■ Joe Hruda

Joe Hruda is President of CIVITAS Urban Design & Planning Inc., a consultancy based in Vancouver, specializing in major urban development and new community projects. Much of CIVITAS' work, and Joe's 30 years of experience, is related to the redevelopment of brownfield urban sites such as railway and waterfront industrial lands, both in Canada and internationally, as well as greenfield new community planning.

STRUCTURED NETWORKING SESSIONS

Tuesday 4th May 1.00-5.00pm. TOWN HALL - WILLIAM STREET

These informal sessions are an opportunity for groups and organisations to register a theme or issue of interest that can be networked or discussed in a workshop, informal meeting or round table. The organisation registering the subject will be responsible for facilitation or leading that discussion. Examples of these could be a meeting of a statewide organisation; national groups of similar interest;

discussing an issue of concern; delegates from different State Government Departments reporting on new trends and policies etc. Please indicate on the registration form if you wish to nominate a topic for discussion in this session. Selection of topics will be at the discretion of the organising committee.

GUIDED TOURS OF FREMANTLE

- Inclusive for fully registered delegates

10.30 - 12 noon, Tuesday 4 May 2004

PLEASE NOTE that the information below is very condensed and more comprehensive information regarding these walking tours can be found on the web at www.ictcsociety.org

Three different guided tours will be available. Information to follow each tour on a self guided basis will also be available for those who wish to take the tours at other times.

■ ■ Walk No. 1: Fremantle West End and Maritime Trail

Includes West End converted warehouses/shipping company offices that now accommodate the University of Notre Dame; Port waterfront including Maritime Museum, Motor Museum and E Shed Markets; Maritime Heritage Trail; Fishing Boat Harbour - visitor activities, seafood restaurants and Little Creatures Brewery.

■ ■ Walk No. 2: Fremantle commercial precinct and cappuccino strip

Tour through Fremantle's fashion strip, Victoria Quay the site of a recently proposed major commercial development on former port land; through the main shopping precinct to Kings Square, the Town Hall and on to the 'cappuccino strip' - fresco cafes, restaurants, hotels and boutique brewery. The walk will pass the historic Fremantle Markets and Fremantle Prison.

■ ■ Walk No. 3: Fremantle CAT bus tour of the outer city

The free CAT (Central Area Transit) buses complete a circuit around the central city stopping at popular places of interest offering easy access to major attractions and venues. This organised tour will include a stop at the Fremantle Arts Centre and History Museum and a significant complex of heritage buildings that has been converted to new uses.

ROLLING WORKSHOPS

Friday 7th May - Inclusive for fully registered delegates

TOUR 1 - Proudly sponsored by City of Swan, Midland Redevelopment Authority & Ellenbrook

■ ■ Midland Redevelopment

The magnificent industrial-era Midland Railway Workshops site is now being transformed into a mixed use precinct of residential, commercial, civic, cultural and educational activities. The railway workshops site is the most significant industrial heritage site in Western Australia and is part way through a redevelopment project to be implemented over 15 years. Concept plans for the redevelopment will be presented, along with visits to mixed use redevelopment sites and a tour of the impressive workshops buildings, which portray the unique social history and built heritage of the site.

■ ■ Guildford

Guildford is the oldest inland settlement in Western Australia and the only townsite in Perth listed on the Register of the National Estate. This well-preserved 19th Century town has a wonderful old world charm in a unique physical setting. The town's, built character, large village green, antique shops and attractive individual stores and residences, make Guildford a popular place to live and visit. Delegates will gain an insight into the urban development and management issues faced by a historic town situated only 20 minutes from the Perth CBD.

■ ■ The Swan Valley

The Swan Valley is recognised by the WA Tourism Commission as one of Perth's three most important tourism destinations. Western Australia's oldest wine region is now home to a multitude of wineries, micro-breweries, restaurants, food producers and art/craft galleries - the Swan Valley Food and Wine Trail is the first trail of its kind in Western Australia.

The Swan Valley region is the only wine tourism region within a metropolitan area in Australia and, with more than 780,000 visitors a year, the area provides an insight into critical issues of regional economic development, niche tourism marketing and the challenges of managing heritage, landscape and environmental issues in a living, working tourism region.

Delegates will be treated to first hand experience of the region's products, including lunch and wine-tasting in one of the region's wineries at either Sandalford Estate or Houghton - maker of Australia's most popular white wine. Tastings of other local produce (cheese, chocolate, beer and more) will also be on offer to serious connoisseurs.

■ ■ **Ellenbrook**

Australia's most awarded residential development, Ellenbrook has pioneered a range of urban development initiatives involving innovative urban design, community development and environmental management. Ellenbrook has set the benchmark for many suburban development projects throughout Australia and exemplifies the challenges of developing new communities at the urban edge. Delegates will be given a comprehensive tour of the area's unique residential environment, including an overview of the development philosophy which has created this unique community.

TOUR 2 - *Proudly sponsored by the City of Perth & East Perth Redevelopment Authority*

■ ■ **Subi Centro**

Over the past nine years the Subiaco Redevelopment Authority has sunk a portion of the Perth-Fremantle railway line to revitalise former industrial land and build a transit oriented new community.

The \$32 million railway station was the largest infrastructure component of the project, and Subi Centro and its social

and commercial hub, Subiaco Square are now a vibrant destination for shopping, entertainment and commercial life. More than 900 new dwellings have been created in five residential neighbourhoods. 70,000sqm of new commercial space has attracted landmark businesses and will eventually be home to more than 3,000 new employees.

■ ■ **The Malls project**

Hay Street Mall was the first central city pedestrian mall in Australia. While there has been a minor refurbishment of the malls in the mid 90's the city has committed to an integrated redevelopment for the Hay and Murray Street Malls and Forrest Place. The plan builds on the point of

difference that a city centre shopping area has over a suburban mall and has involved partnerships with the retailers and building owners. Delegates will be taken on a brief walking tour of the first phase of the Malls redevelopment.

■ ■ **The Swan River foreshore and Point Fraser Wetland Project**

One of the continuing issues for the City of Perth has been how to bring the river and the city together. Delegates will be able to view the new major infrastructure projects of the almost completed Convention & Exhibition Centre and the redeveloped Barrack Square before proceeding to a tour of the Point Fraser wetland.

By using leading edge environmental science, technology and design, the City of Perth has restored the river's edge

to create a functional and attractive wetland right on the city's doorstep. Adjacent is the Ozone irrigation lake, part of a major upgrading by the City of the foreshore parklands and irrigation system, and the East Perth Redevelopment Authorities 40 hectare Gateway project which aims to develop the area to create a mixed-use urban community for approximately 5,000 residents and up to 20,000sqm of commercial space.

■ ■ East Perth

East Perth has been lauded as one of Australia's best examples of an urban redevelopment project. Since 1992, 146 hectares of former industrial land has been remediated, 2,300 new residents have moved in and 1,100 new homes and apartments have been created on the site of East Perth's former Gasworks, scrap yards, empty warehouses and railway yards.

Delegates will be able to see the rich mix of residential, commercial and retail uses combined with an enviable water frontage, public open spaces and interpretive public art that tells stories of years gone by that has put the award winning East Perth redevelopment on the must-see list for planners and developers around the country.

■ ■ Northbridge

Delegates will finish the tour in Northbridge, the city's entertainment district. Since 1880 waves of migrants have settled here, creating the rich cultural mix that exists today. The City of Perth has recently commenced the implementation of a five year, broadly based regeneration plan for the area.

A tour of Northbridge will include the existing commercial heart of the area with its many restaurants and nightclubs, and the new 27-hectare redevelopment area "The Village Northbridge" on its northern fringe, which will comprise 460 new dwellings and 70,000 sqm of retail and commercial floorspace. Delegates will be able to see the juxtaposition of the established and new areas and the changes that are in store for the area in the future. There will also be an opportunity to sample the famous Northbridge evening economy at the end of the tour!

SOCIAL PROGRAM

■ ■ Happy Hour - Western Australian Maritime Museum - Cliff Street

Wednesday 5th May 5.30 - 7.15pm Proudly sponsored by Department of Planning & Infrastructure Western Australia

Experience a guided tour of the newly built Maritime Museum showcasing Fremantle's maritime history. Delegates will then enjoy canapes, drinks and spectacular views as the sun sets over Fremantle's beaches and the Indian Ocean.

Inclusive for fully registered delegates

Extra tickets \$55 (available only to Social partners)

■ ■ Conference Dinner - Town Hall -William Street Thursday 6th May 7.00 - 11.30pm

Set in the original Town Hall of Fremantle, which was officially opened in 1887, the Town Hall is a shining example of 19th Century classical architecture which has been restored to its original grandeur. Enjoy dinner, drinks and dancing whilst basking in the classic surroundings of this beautiful Victorian style building.

Limited Numbers - Priority will be given to fully registered delegates.

Inclusive for fully registered delegates

Extra Tickets \$95 (available only to Social partners)

Tuesday 4th May 2004

This program may be subject to change.

	Tour 1 - Swan Valley Morning Tea, Lunch, Afternoon Tea & Wine Tasting included	Tour 2 - Perth, East Perth & Subiaco Morning Tea, Lunch & Afternoon Tea included

Saturday 8th May & Sunday 9th May - Optional Extra

BUNBURY/MARGARET RIVER WEEKEND TOUR & WORKSHOPS Departs Saturday morning for Bunbury. Tour includes: Return transport, attendance to workshops, wine tasting, lunch on both Saturday & Sunday, dinner on Saturday night, overnight accommodation & breakfast in Bunbury, tour of Margaret River.

Bunbury Workshops & Margaret River Weekend Tour

(Optional Extra for all registered delegates & partners)

This weekend tour to Bunbury and Margaret River departs Saturday morning from Fremantle and returns Sunday afternoon. The weekend includes:- all transport, workshop attendance, overnight accommodation, wine tasting, Saturday morning tea, lunch, afternoon tea and dinner, Sunday breakfast and lunch.

■ ■ Saturday 8th May - Bunbury Rolling Workshop

Arrive in Bunbury late morning where you will enjoy lunch followed by a guided tour and rolling workshop of the many interesting sites at the port city. More information regarding the individual sites and projects to be visited is on the conference web page – www.ictcsociety.org

Bunbury has evolved rapidly into one of the fastest growing regional hubs in Australia, a status applied by the Australian Bureau of Statistics to recognise the city's standing as an urban hub for work and lifestyle. Commercial centre of the rich and diverse South West, Bunbury is on the radar of potential business investors, property developers and urban planners. It is shrugging off the "tourism gateway" tag to become a prominent visitor destination in its own right.

Major urban revitalisation projects have been completed or are planned as the City authorities focus on building a reputation as a place to live work, visit and invest. The spin-off from this new-found attention has created major challenges for authorities and will be the subject of a tour to Bunbury and the South West:

GENERAL INFORMATION

■ ■ Location & Venue

Fremantle, is located 20 minutes from Perth City and 30 minutes from the airport. Fremantle is famous for its historic mid 19th century buildings, galleries, boutique bars and restaurants and has some of Australia's finest shopping, dining, recreational and leisure pursuits.

The Esplanade Hotel is situated in the heart of cosmopolitan Fremantle and is also within walking distance to the Maritime Museum situated on the popular and busy Fremantle Port, where the Swan River meets the Indian Ocean. Fremantle enjoys a Mediterranean climate - perfect for outdoor pursuits!

Comprehensive information can be found on the conference web site on the following:

■ ■ Registration Fees & Payment

FULL DELEGATE REGISTRATION:

- ▲ Attendance at all conference sessions
- ▲ All conference day catering
- ▲ Attendance at the Friday Rolling Workshops
- ▲ Happy Hour at the Maritime Museum
- ▲ Conference Dinner at Town Hall
- ▲ Conference Satchel & Handbook
- ▲ Entry to Trade Exhibition

■ ■ Sunday 9th May – Margaret River Winery Tour

Day Two takes you through the spectacular wine region of Margaret River. After travelling through the Tuart forest – it's off to Pilandri - your first stop to sample the fine wines of the region. Experience the delightful cheeses of the Fonti Farm cheese factory and then on to explore the markets and shopping in the quaint township of Margaret River. Bring your camera and capture the rugged coastline and the world famous surf beaches of Pevrelly. Enjoy a sumptuous lunch followed by a visit and chocolate tasting at the Margaret River chocolate factory. More wine tasting at the award winning Pitchfork Winery at Hayshed Hill is followed by a trip along the Scenic Caves Road. Anyone for a beer? Bootleg Brewery is our next stop where the brewed beer at the Raging Bull will really get you going. Last but not least sample the wines of the famous Driftwood Estate winery before heading back to Fremantle via the spectacular beaches of Yallingup.

Delegate Ticket \$295 per person

Delegate + Social Partner \$495 per couple

ACCOMMODATION

Group bookings have been arranged at discounted rates and all accommodation should be booked through Organisers Australia. Please indicate your 1st and 2nd preference. Although every effort will be made to secure your 1st preference, your 2nd preferred choice will automatically be selected if your 1st preference is not available. A deposit of one night's room charge is required to secure your booking

if payment is made by cheque. When payment is made by credit card, no monies will be deducted by Organisers Australia, however your credit card details will be forwarded to your hotel as security for your booking. If the credit card is in the name of a person other than yourself, it will be necessary for them to complete the authorisation attached to the registration form.

■ ■ **Esplanade Hotel Fremantle**

Situated in the heart of Fremantle, the Hotel overlooks popular parklands and Fishing Boat Harbour, and is within easy walking distance to the Central Business District, galleries, cinemas, museums, markets, 7 day shopping,

fashionable bars and restaurants. The hotel's facilities include:- heated swimming pool in a tropical garden setting, sauna, three outdoor spas, fitness centre, a lounge and pool bar and two licensed restaurants.

Standard Room \$175 per room per night

■ ■ **Quest Harbour Village Apartments**

Located on the quay in Challenger Harbour and approximately 10 minutes walk to the Esplanade Hotel, the Harbour Village Quest Apartments offer panoramic ocean and harbour views. These 1, 2 and 3 bedroom apartments each contain fully equipped kitchen and laundry.

On the day of arrival, a complimentary Breakfast Basket will be provided to each apartment. However, milk, tea and coffee are the only included items that will be replenished on a daily basis. Very few apartments are available - bookings taken on a first in best dressed basis.

FISHING BOAT HARBOUR - DELUXE

1 bdm Apt (1 queen bed) \$162 per apt per night
2 bdm Apt (1 queen & 2 singles) \$192 per apt per night

CHALLENGER HARBOUR - DELUXE

2 bdm apt (1 queen & 2 singles) \$202 per apt per night
3bm apt(1 queen & 4 singles) \$221 per apt per night

■ ■ **Tradewinds Hotel**

The 4 star Tradewinds Hotel is a 5 minute drive to the conference venue (not within walking distance) however, local transport to the heart of Fremantle or Perth is available at the front door.

Every apartment is newly refurbished, self contained and serviced daily. The hotel's facilities include:- pool, heated spa, bbq, cocktail lounge, licensed restaurant, room service and undercover parking.

Studio apt (1 queen & 1 single) \$137 per apt per night
2 brm apt (1 queen, 2 singles & double sofa bed) \$165 per apt per night
