THE EVENT

The International Cities, Town Centres and Communities Society Inc. (ICTC) Conference Committee invites you to join them at the 12th ICTC Conference to be held at the Hotel Grand Chancellor, Constitution Dock, Hobart Tasmania, Australia from Tuesday 25th to Friday 28th October 2011.

THE DESTINATION

Hobart, Tasmania's capital city is a blend of heritage and lifestyle, spectacular scenery and vibrant culture. Hobart is a cosmopolitan city linked to the mountains, river and sea, it is spinnakers on the water and fish punts at the docks, coffee under the sun umbrellas at Salamanca and an occasional frosting of snow on Mount Wellington.

Hobart is a contemporary convention city, with all the facilities you would expect from a large city and is the gateway to southern Tasmania.

Being the least populated capital city, Hobart has huge advantages for conference attendees. Ease of access to venue and accommodation facilities without traffic delays, queues and stress is a feature.

Hobart has so many appealing features including the charm of its location, frequency of flights from major cities, diverse range of venues, access to living history, unique food and wine experiences and the credibility gained through hosting successful conventions to name a few.

HOTEL GRAND CHANCELLOR

The 4.5 star Hotel Grand Chancellor is well positioned overlooking one of the world's most picturesque and historic Harbours.

Capturing unspoiled panoramic views of the River Derwent, Mount Wellington and the city, the extraordinary charm of this magnificent city, the central business district, shopping and all of Hobart's many tourist attractions, Hotel Grand Chancellor offers the best location for your stay in Hobart.

There are all the facilities you would expect of a 4.5 star superior hotel at your disposal plus hair salon and an art gallery in the lobby.

Enjoy contemporary dining at Restaurant Tasman or relax over a quiet drink in The Atrium Lounge Bar while taking in the magnificent views over the waterfront.

The Hotel Grand Chancellor is the home of Hobart's 'Federation Conference & Exhibition Centre' with 10 function rooms and a purpose built auditorium which is the largest venue in Tasmania.

The hotel is the home of the Tasmania Symphony Orchestra who regularly perform in the Federation Concert Hall adjacent to the hotel.

AIMS OF THE CONFERENCE

- To discuss the latest developments in urban design, planning, development, project management and sustainability on an international and national basis.
- Mix with professionals from varying backgrounds in a true cross disciplinary event.
- Provide access to and hands on experience from national and international specialists.
- Provide national and international case studies for discussion and analysis.
