### **2020 ICTC Conference**

It is my great honour to invite you to attend the 2020 International Cities, Town Centres & Communities Conference to be held in the City of Parramatta from 4 to 6 November 2020.

This is the first time the event will be held in Parramatta and we are excited to welcome a diverse cross-section of city leaders and urban place professionals from across the nation.

This is an exciting time for the City of Parramatta. As more people choose to live in, work in and visit our great City, Parramatta is emerging as a centre of economic activity, culture and creativity. The

challenge for Parramatta is to carefully manage this transformation in order to bring the greatest benefit for all members of our community.

We look forward to welcoming you next year for a highly informative Conference. Our City, as well as being a commercial core with more than 16,000 businesses, also boasts major health, sport, education, art and top-class restaurant precincts.

While you're in Parramatta, I encourage you to take a stroll along the river foreshore, enjoy the diverse array of multicultural cuisines on offer in Eat Street and surrounds, watch a show at Riverside Theatres, explore our unique heritage sites or take time out for some shopping.

The 20<sup>th</sup> International Cities, Town Centres & Communities Conference will be a great opportunity to network, to share ideas and collaborate on ways to make our communities even better places in which to live, work, visit and play.

Cr Bob Dwyer

Lord Mayor
